Hi Trans Task Force team,

I hope you all are staying well during these unusual times! I have been thinking about you, so I wanted to make sure to reach out. Please do let me know if there's anything I can do to support you or your colleagues. The RCSGD team is still here to provide support and advocacy as needed!

Because there is so much going on, I wanted to give everyone the opportunity to step back from TTF if you do not have the capacity this term. Going remote does not mean more time for many of us, and for some of us, it may mean extra work! As such, your involvement on the Trans Task Force may need to pause this term. And that is more than okay! It's 110% understandable!

I reached out to the Subcommittee Chairs to see what's going on with their subcommittee. Here's what I learned:

- **Student:** On pause this term but Aryn is reaching out to students.
- **All Gender Restrooms:** On pause this term but Dwayne will be working with the Wayfinding footage that this committee has already collected.
- **Curriculum:** Please refer to Dr. Lal Zimman for updates.
- **Health Equity Initiative:** On pause this term as many members are pulled in other directions to care for students.
- **Housing:** On pause for the moment but Julio may attempt to schedule a meeting if/when things settle down a bit in RCL.
- **Names and Pronouns in University Systems:** Canceled our March meeting and have not yet scheduled another meeting but we will likely meet at least once this term if not more.
- **Outreach and Communications:** Quinn is working to schedule virtual meeting(s) for this term.

Please feel free to reach out to Subcommittee Chairs or me with questions. Also, you can let them or me know if you need to step back from the committees that are continuing to meet this term.

I wish you and your families health and safety! As I mentioned before, please do not hesitate to reach out if you need anything.

Stay well!  
Craig
