UNIVERSITY OF CALIFORNIA, SANTA BARBARA

MAP & DIRECTORY

ALL GENDER RESTROOMS AND LACTATION ACCOMODATION

Blue structures indicate the location of all-gender restrooms.

Purple logos indicate the locations of lactation rooms.

The University of California is strongly committed to creating and sustaining a campus environment that supports and values all members of our community, including visitors. These guidelines focus on providing a safe environment, consistent with UC principles of community and efforts around civility and respect. Gender inclusion should provide access and equality by creating an environment that is safe, accessible, and respectful of all individuals. One aspect of creating an inclusive environment is the availability of safe, accessible, and convenient restroom facilities. Many people may experience difficulty, inconvenience, or harassment when using gender specific restrooms and facilities. Additionally, parents with children of a different gender, as well as caregivers to persons of a different gender, face difficulties in accompanying them. UC aims to implement best practices for gender inclusive facilities. For more information regarding all gender restrooms and other LGBTQ+ resources, please visit rcsgd.sa.ucsb.edu

Most rooms require a key.

To access a lactation room, please submit the Registration Questionnaire:

hr.ucsb.edu/employee-services/lactation-accommodation-program

¹ Limited access—Student Health Providers/Staff only
